

Key Sections and Articles № 3 (38) 2013

FOCUS TOPIC: TABLET

- 44** Multilayer Tablet Technology.
Industry Experts Discuss Formulation and Technical Challenges in Multilayer Tablet Manufacture
- 50** **Tableting Equipment Showroom:** ACG Pam, I Holland, GEA Pharma Systems, Romaco, Fette Compacting, Bosch Packaging Technology, Ronchi, Kikusui
- 56** Tableting: Roller Compaction QbD.
By Prof. Brian A. Carlin
- 58** Optimization of the Tablet Characteristics of Metformin XR Tablets in Direct Compression: The Role of the Binder.
By Edmont Stoyanov, Burcu Taflioglu, Gozde Dere, Gurkan Altunok, Zeynep Oren
- 62** Investigating the Benefit of Delivering Gastric Resistant Functionality to a Tablet Via Applying a Colourless Top-Coat
- 66** IMA – a Turnkey Supplier of Tableting Equipment
- 72** FREWITT SA. Right Equipment for Quality of Your Product
- 74** Trends in Tablets and Capsules Manufacturing. New Technological Solutions Developed by ACG Company
- 76** Compact Laboratory Devices in Modular Design. Bosch Presents Solidlab 1 and Solidlab 2
- 78** KORSCH AG. Meeting Industry Demands for Increased Efficiency and Flexibility in Tablet Compression Technology

FEATURES

- 14** **Special Commentary**
IPhEB&CPhI Russia – 2013: New Momentum in Developing Pharmaceutical Market of Russia
- 22** Analitica Expo – 2013: the Newest Achievements in Analytical Chemistry
- 28** Pharmintech – Meeting Point of International Pharmaceutical Community
- 36** **Company Profile**
KUK-Ukraine Ltd.

- 38** Schubert: We Pack Your Products
- 40** Geropharm Group of Companies: Technologies for Healthy Future
- 80** **Machinery and Equipment**
groninger Won Two Supplier Awards
- 80** 400 Vials per Minute at 100% IPC
- 82** The Two Biggest Isolator Lines in Russia – by groninger
- 83** groninger & co. gmbh: Fastest Eye Drop Line in the World
- 84** OPTIMA pharma GmbH: Drastically Reduced Isolator Decontamination Cycles
- 86** OYSTAR IWK: The Tube Multiplier
- 90** rommelag ag: Remote Technical Support Service
- 94** Bonfiglioli Engineering S.p.A. Cost Saving due to Nondestructive Testing for Blister Packaging
- 103** **Analytical Control**
SHIMADZU MALDI-TOF Spectrometers Application.
By A. Sukhomlynov
- 106** **GMP**
Balancing Value, Effort and Risk in Foreign GMP Inspections? – A Future Perspective.
By Stephan Runniger; Johanna Berberich; Gerd Fischer; Ingaliill Persson; Carla Wandt; Liz Wall

NEW Section! PHARMACEUTICAL DEVELOPMENT

- 96** High Efficiency Technologies for Particles Shape and Size Measuring in Developing and Quality Assurance of Solid Dosage Forms

REGULARS

- 8** **News**
- 112** **Events**
- 122** **Legislation**
- 125** **History**
