

Key Sections and Articles № 6 (41) 2013

**WITH A FOCUS ON:**

**Active Pharmaceutical Ingredients and Excipients**

- 46** Survey Suggests a Need for Greater Control of Formulation and Ingredient Management
- 54** Protection of Moisture Sensitive Active Substances with Aquarius™ MG Film Coating Systems.  
*By Sergey Trofimov and Edmont Stoyanov*
- 58** Evaluation of pH-Dependent Pore-Forming Process in Formulations of Sustained Release Film Coatings.  
*By T. Cech, Michael G. Herting, Susann Just, K. Mäder*

**WITH A FOCUS ON:**

**Liquid Dosage Forms**

- 64** Sterile Manufacturing – Current Trends and Developments
- 66** Overview of Barrier Systems: Open RABS, Closed RABS and Isolators. Focus on Energy Savings
- 70** MODERN ASEPTIC MANUFACTURING: the Right Perspective.  
*By Sergio Mauri*
- 78** Small Volume BFS Containers Production Using SYFPAC® Equipment
- 80** BonfiglioliEngineering. Combined Machine for Leak Testing and Visual Inspection for Ampules FFS Strip Packaging
- 82** High Quality Products Shall Have High Quality Packaging
- 72** Innovations for Liquid Dosage Forms Manufacturing  
*Contributions from Bosch Packaging Technology, Marchesini Group, groninger, Bausch+Ströbel, WM Flexicon A/S*

**SPECIAL REPORT**

- 14** Pharmtech: Attracting Innovative Pharmaceutical Technologies to Russia
- 22** Interviews with Pharmtech Exhibitors.  
*By Galina Zerova*
- 36** CPhI Worldwide-2013
- 38** New Product Lines  
*Contributions from Ashland, BASF, Peter Greven*
- 40** Ukrainian Exhibitors

**FEATURES**

- 86** **Machinery and Equipment**  
Incentivizing Quality. Experience with Equipment Suppliers from China  
*By Stepan Artemchenko*
- 92** **Technology: Dosing and Mixing**  
Mass Flow Measuring in Cosmetic Industry
- 94** **Analytical Control**  
Pharmaceutical Standard Samples in Ukraine.  
*By Dmitriy Leontiev*
- 97** Concept and Development of Professional Testing Programme for Drugs' Quality Control Laboratories in Ukraine and Other CIS Countries.  
*By Marina Dmitrieva*
- 101** Total Organic Carbon Analyzers from SHIMADZU for Solving Pharmaceutical Industry Challenges.  
*By A. Sukhomlynov*
